
Video and Student Work Release

In the event that MISD or an outside media agency wishes to film a special activity involving your student, Senate Bill 1 requires your consent.

_____ I **do not** consent.

By leaving this blank, the District will consider it as consent on your part.

Student Work

Occasionally, MISD wishes to display or publish student artwork, photos taken by the student, or other original work on the district's Web site, affiliated web sites such as a campus or classroom sites, and/or in district publications. Your consent is needed for displaying the work of your child.

_____ I **do not** consent (*parent/guardian initials required*).

By leaving this blank, the District will consider it as consent on your part.

FOR HIGH SCHOOL STUDENTS ONLY

Release Information to Military Recruiters and Institutions of Higher Ed.

Federal law requires that the District release to military recruiters and institutions of higher education, upon request, the name, address, and phone number of secondary school students enrolled in the district, unless the parent or eligible student directs the district not to release information to these types of requestors without prior written consent.

_____ I **do not** consent (*parent/guardian initials required*).

By leaving this blank, the District will consider it as consent on your part.
