Fight Song

We are the Broncos we are red, black and white
We are the Broncos we will put up a fight
Now let's go Broncos get up on your feet
So we can cheer and bring the heat.

We will be loud and proud - a big family
And we will come as one and have victory
Now let's go Broncos get up on your feet
No, we will not accept defeat.

B-R-O-N-C-O-S Broncos, Broncos, Go Broncos

We are the Broncos we are red, black and white
We are the Broncos we will put up a fight
Now let's go Broncos get set for a win
We'll be victorious 'till the end!
